

MANAGED ACCOUNTING SERVICES

EASY TURNKEY ACCOUNTING

Organizations are forced to make the decision between building out their accounting and finance department to manage the growing and ever-changing business requirements. This is why KARKI developed a more scalable and cost effective solution.

At KARKI, we provide a full suite of outsourced accounting services to our GovCon and Non-For-Profit clients.

When partnering with us, clients access a team of industry veterans that for decades have been providing industry insights and systems expertise to help drive business forward.

IS YOUR ACCOUNTING DEPARTMENT A CATALYST FOR GROWTH?

HOW CAN KARKI HELP?

EXECUTIVE LEVEL SUPPORT

KARKI specialists support small and mid-sized clients as Controller/CFO level support, as well as;

- Month & Year-End Closing
